LUBRICANTS

## TOTAL RUBIA TIR 7900 15W40 (ENGINE OIL API CJ-4)

A very high performance lubricant designed for heavy duty diesel engines configured to meet EPA 2007 and Euro 4/5 emission regulations such as Cummins, Paccar, Detroit, Volvo, Mack as well as older requirements and euro 6 (Volvo).

- Superior wear protection and deposit control to previous generation oil to enable optimum oil drain interval and flexibility in fleet operations
- Suitable for engines used in different operating conditions: interstate transport, deliveries, stop & go, construction and harvesting
- Suitable for all types of diesel and gas engines, particularly when fitted with exhaust after treatment devices such as DPF, DPD or SCR using ULSD fuels
- Increased drain intervals due to exceptional performance level
- Exceptional detergent, dispersant and anti-wear additives enabling effective soot control ensuring clean engines with low wear in critical components
- Very high technical performance

### INTERNATIONAL STANDARDS

ACEA E9/E7  
API CJ-4/SM

### MANUFACTURER CERTIFICATIONS

CUMMINS CES 20081  
DETROIT DIESEL POWER GUARD 93K218  
MACK EO-O Premium Plus  
MAN M3575  
MB-Approval 228.31  
RENAULT TRUCKS RLD-3  
VOLVO VDS-4

### MEETS REQUIREMENTS

Caterpillar ECF-3  
DAF  
IVECO  
Scania

## TOTAL TRANSMISSION SYN SAE 50 (TRANSMISSION OIL)

Fully synthetic transmission fluid formulated for the lubrication of manual transmissions, when a non EP gear lubricant is required. TOTAL TRANSMISSION SYN SAE 50 is particularly recommended for the extended drain service of EATON transmissions, with extended warranty.

- Extended drain intervals (up to 800,000 Km)
- Extended warranty coverage for Eaton and Meritor
- Easy gear shifting in cold conditions, and excellent protection at high temperature, for optimal lubrication under all climates
- Optimized friction and viscosity for better Fuel Economy
- Superior protection of components against wear, rust and corrosion

### INTERNATIONAL STANDARDS

API MT-1

### MANUFACTURER CERTIFICATIONS

Eaton Approved PS 164 REV 7  
International TMS-6816  
Mack TO-A PLUS  
Meritor Automotive/Rockwell International 0-81  
Navistar TMS 6816

## TOTAL TRANSTEC 5 85W-140 (AXLE OIL)

TOTAL TRANSTEC 5 85W-140 is gear oil designed for gearboxes and axles requiring SAE 85W-140 API GL5 gear oil.

- High viscosity index providing consistent performance across a wide temperature range
- High Extreme-Pressure properties
- Excellent stability in service
- Excellent wear reducing properties, high oxidation resistance and anti-rust properties
- Contributes to protection of mechanical parts and improved driveability

### INTERNATIONAL STANDARDS

API GL-5
